Founder's Message

Dear Parents and Caregivers,

We are thrilled to introduce Koorooma Foundation Years, a preschool that celebrates the joy, curiosity, and boundless energy of childhood—the very essence of “Koorooma.”

At Koorooma, we believe the early years are the foundation for lifelong learning and growth. With a vision to nurture empathetic, innovative, and confident learners, we blend traditional values with modern advancements to create an enriching and inclusive environment.

Our mission is to encourage learning through play, nurture emotional and social growth, and instill empathy and respect while empowering children to explore, imagine, and innovate. We aim to inspire future entrepreneurs, changemakers, and global citizens.

Together, with your trust and partnership, we're building more than a preschool—we're building a community that celebrates every child's unique potential.

Welcome to Koorooma—where the laughter of children inspires the future.

Warm regards,

Rittuu Goel & Mehak Mittal

Founders, Koorooma Foundation Years

Mission

Our mission is to:

- Encourage learning through play and self-paced exploration, helping children reach their full potential.
- Provide a balanced curriculum that supports academic, emotional, and social growth.
- Instill empathy, kindness, and respect for traditional values while embracing modern technology.
- Create a nurturing and inclusive environment where quality education is accessible to every child.

Vision

“To nurture young minds into empathetic, innovative, and confident learners of tomorrow by providing an accessible, holistic education that seamlessly integrates traditional values with cutting-edge technology, creating a foundation for future entrepreneurs and changemakers.”

Our Facilities

Safe & Secure Environment

Safety and security are key, creating a nurturing space for fearless learning. Our vibrant, child-friendly campus fosters a sense of belonging and spontaneous learning, backed by vigilant staff and CCTV for a relaxed, dynamic environment.

Hygiene & Cleanliness

Koorooma Foundation Years emphasizes top-notch hygiene and cleanliness, with regular sanitization and thorough maintenance across the campus. Our staff, trained in hygiene, are health-certified to ensure a safe and clean environment for learners.

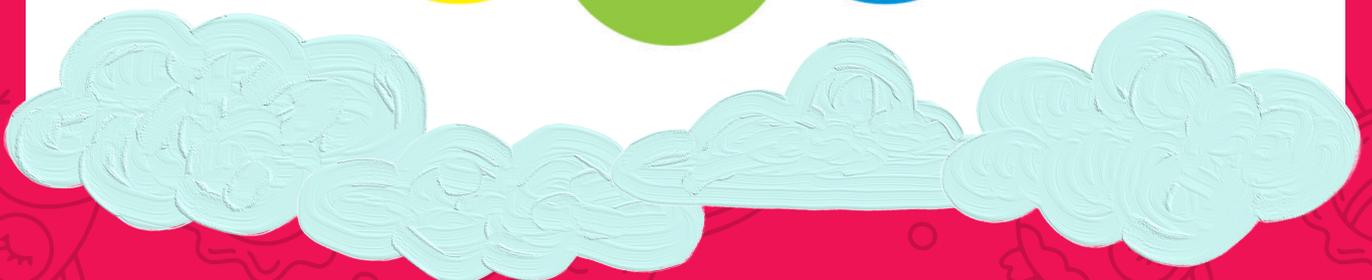

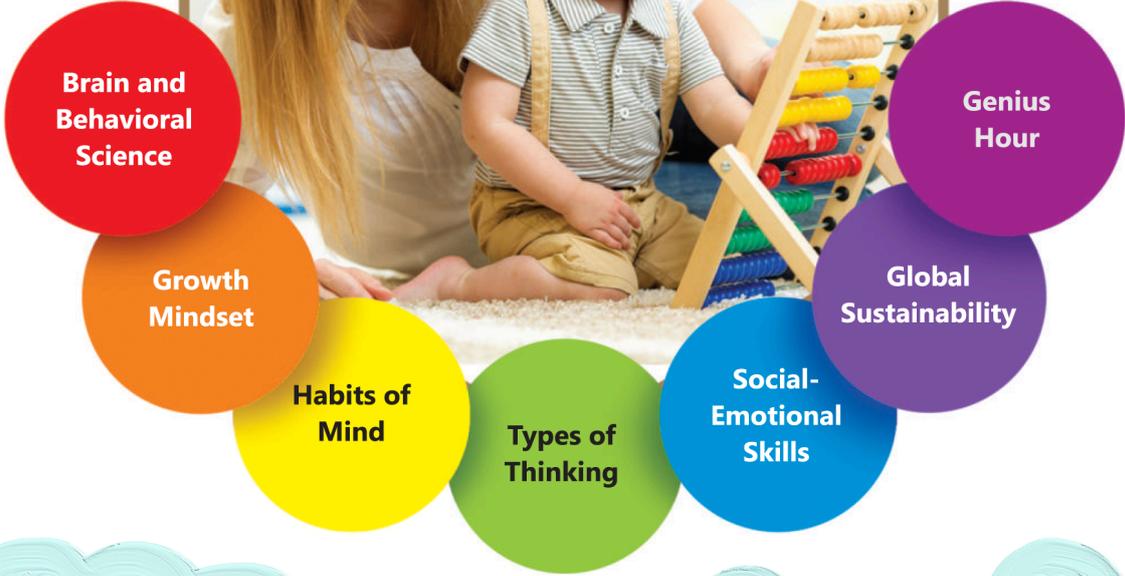

A person wearing orange climbing gear is seen from a high angle, climbing a grey, textured rock face. Several yellow handholds are visible on the rock. The person's legs and feet are visible, showing they are in a climbing position. The background is a bright, sunny outdoor setting.

A learning space for personalised educational journeys for all learners.

Join the community of parents
at Koorooma Foundation Years
in Uttarahalli Hobli, Bangalore.

Let your child create their own
experiential, engaging, and
joyful journey in a collaborative
environment.

In addition to meeting appropriate academic standards, mapped to the highest learning outcomes of National and International Boards, the curriculum focusses on exploring self-discovery through

PERSONALISED LEARNING

Personalised Learning is a teaching approach that tailors educational content and experiences to the individual needs, abilities, and interests of the learner.

It allows progress at their own pace and takes ownership of their own learning, rather than following a one-size-fits-all curriculum.

Message from Lina Ashar, Founder of Dreamtime Learning

When educators redefine the 'why', 'how', and 'what' of teaching, humanity opens the door to abundant futures, sculpting compassionate adults who not only seek meaningful impact but also find financial, emotional, social, and spiritual fulfilment.
